The 2018 Economy – Navigating Trade Wars & Discovering Business Opportunities

Back by popular demand: Arlington's dynamic Brunch and Business Series.

We fall back into the B&B series this October by tackling the current state of the U.S. economy, its impact on our region and how trade wars can impact our businesses locally. Join us, as two experts in the field: GMU's Director of the [Center for Regional Analysis](#), **Dr. Terry Clower**, and the U.S. Chamber of Commerce's Senior Director for [International Policy](#), **Kris Denzel** engage in a dynamic discussion of the 2018 economy and beyond. We also have a new location for the B&B series at [SPACES The Artisphere](#). Bring plenty of business cards, and get ready to be informed with the latest information to help build your business!
