The applicant proposes to re-zone the entire site to R-C, Multiple-family Dwelling and Commercial District, and to change the GLUP designation for 525 N. Thomas St. from "Low-Medium" Residential to "High-Medium" Residential Mixed-Use.

## PROJECTS OF INTEREST

- 11<sup>th</sup> and VERMONT

<b>County Board Date:</b>	February 2018	<b>Office SF:</b>	-
<b>Project Status:</b>	Approved	<b>Other SF:</b>	
<b>Developer:</b>	NVR, Inc.	<b>Residential Units:</b>	85
<b>Estimated Delivery:</b>	-	<b>Hotel Rooms:</b>	-

Redevelopment of an existing two-story church and adjacent surface parking lot on a 55,667 SF (1.28 acre) site consisting of two contiguous blocks with 12 townhouse units (north block) and 73 multifamily and townhouse units (south block). The site is located at 1031 N. Vermont St. The site abuts the Westview at Ballston Metro development to the south and east, the Vermont Court development to the north and the Victoria at Ballston development to the east.

- BALLSTON STATION—BALLSTON CENTRAL UNITED METHODIST CHURCH

<b>County Board Date:</b>	February 2017	<b>Office SF:</b>	-
<b>Project Status:</b>	Approved	<b>Other SF:</b>	23,499
<b>Developer:</b>	Ballston Station Housing Corporation	<b>Residential Units:</b>	119
<b>Estimated Delivery:</b>	-	<b>Hotel Rooms:</b>	-

Ballston Station Housing Corporation (Bozzuto Development Company and Monticello Partners), proposes redevelopment of a consolidated site (4201 and 4203 N. Fairfax Dr.) in two Phases. Phase I would include land east of a public alley, currently owned by Ballston Central United Methodist Church, while Phase II would consist of land west of the public alley owned by Monticello Partners. Phase I is the subject of the site plan application and proposes to redevelop the site of the existing Ballston Central United Methodist Church. Proposed development includes construction of an eight-story residential building that would incorporate a new church, with on-site childcare and a preschool on the first two floors (23,499 SF). The housing component of the project would be mixed income with a total of 119 dwelling units of which 48 would be committed as affordable. A total of 131 parking spaces are proposed for the residential below grade.

<b>Developer:</b>	Acorn LLC/JBG Smith	<b>Residential Units:</b>	-
<b>Estimated Delivery:</b>	-	<b>Hotel Rooms:</b>	

The next phase of Amazon’s HQ2 is a proposed redevelopment of the PenPlace block in Pentagon City. The applicants, Acorn LLC and JBG Smith, acting as Amazon’s development consultant, submitted a proposed site plan application on February 2, 2021. The proposal includes approximately 3.3 million square feet divided across four buildings: Three 22-story office buildings with ground floor retail, and one destination- and amenity-focused building called “The Helix,” a unique biophilic double helix structure with plantings native to the Mid-Atlantic region. In addition, the proposal includes a 2.5-acre public open space, detached retail pavilions, and underground vehicular access. Buildings will be designed for LEED Platinum certification and tailored towards achieving the County’s Community Energy Plan goals. In addition, the project would contribute to the County’s utility fund, public art, and streetscape improvements. The proposed development would supersede the approved plan for Pen Place adopted by the County Board in 2013 (see above).

<b>Project Status:</b>	Under Construction	<b>Retail SF:</b>	-
<b>Developer:</b>	Virginia Hospital Center	<b>Residential Units:</b>	-
<b>Estimated Delivery:</b>	-	<b>Other:</b>	245,428

The site is located at 1800 N. Edison St. and is bounded by N. George Mason Dr., 19th St. N. and N. Edison St. and the existing Virginia Hospital Center campus. In 2015, Virginia Hospital Center (VHC) proposed the expansion of the hospital on an adjacent parcel of land at 1800 N. Edison St. Generally known as the Edison Site, the 5.6-acre site was owned by the County at the time. This initiated a process to evaluate the site and community needs, consider options of purchase agreements and collect public input. At the end of that process, a purchase agreement including a land swap was finalized between the County and VHC. VHC intends to incorporate the Edison Site into their existing, adjacent campus for a total site area of 21.6 acres. VHC's rezoning, site plan amendment, and use permit amendment applications propose to: 1) Rezone Edison Site from "S-3A" to "S-D"; 2) Replace existing buildings on Edison Site with a new seven-story medical office building and a six-story parking garage; and 3) Convert 120,000 SF of medical office use on the current VHC campus to hospital use.
